

Become a Programme Rep

Be the voice for your peers

Programme Reps play a key role in ensuring that all students have a voice and an opportunity to share feedback about their learning experience. They help students make as many positive changes as possible and ultimately, help improve the quality of education at City.

What are the benefits?

We want you to feel empowered in a positive difference to your student academic experience. You'll gain valuable skills to boost your CV.

- You'll be supported along the way with induction and refresher training by the Students' Union.
- First point of contact for paid research opportunities
- Rep of the Month prizes
- Regular Rep newsletters to keep you up to date with Rep activity and news
- Training and development opportunities
- Rep Social Events at the end of term and more!

Next steps!

1. Speak to your Course Leader for more information
2. Nominate yourself
3. Get your peers to vote for you in class elections
4. Attend Rep training at the end of October/ November
